

BENELUX Championship 2019

PILOT AGREEMENT

I agree to obey the Sporting Code of the FAI including the Anti-Doping Policy, the rules of the BENELUX CHAMPIONSHIP 2019 and the directions and decisions of the organizers and officials of the event.

By entering the Championship, I waive any right of action against the organizers of the event, including the FAI, the sponsors, the owners of any site, and their respective members, employees or personnel for any loss or damage sustained by me in consequence of any act or omission on their part.

In consideration of my agreement to participate in the Championship, I understand and agree that my participation in flights is not mandatory and that I will make all flights at my option and under my exclusive responsibility. I agree that the organizers and sponsors of the Championship are providing me with the facilities and means required for my participation in it, but that this in no way supersedes the fact that I expressly accept and recognize that there are inherent risks in flying a balloon and that such risks are understood to be of my exclusive responsibility.

I understand that this agreement is not intended to void any personal insurance I may hold.

I declare that

- I hold the required qualifications, insurance and flight experience (50 hours P1) to operate my balloon in compliance with the national laws and regulations,
- my balloon is covered by a valid Certificate of Airworthiness,
- I hold a valid FAI Sporting License,
- I have with me all required documentation and logs for my balloon and myself.

I agree that all photographic-, video- or sound-records, flight logs or records related to my balloon, myself or my crew during the event, are at the organizers' disposal and that I will fully cooperate should that be required.
