

GENERAL BRIEFING NOTES

During the briefings, pilots', crew's and officials' mobile phones should be switched off or in silent mode.

II.10 – RECALL PROCEDURE (10.15)

In addition to what is set out in the rules. As well as the communication channels listed, radio communication on the **130.00 MHz** frequency will also be used.

6.3 - FLIGHT REPORT FORM (FRF)

Note: In addition to what state in the rule 6.3 please note that the information on the FRF, particularly the timing information and estimated results, will greatly assist the scoring team in producing timely and accurate results. Landowner information must also be included. The pilot cannot complain about the results if they did not provide their estimated results, except for tasks requiring additional calculations (LND, 3D, AirBand).

8.2.2 – VALID TASK

Note: Task scores are considered published when they have been posted on the Watchme-fly.net as “Official”. Measuring lists and “Provisional” scores are not considered to be “task scores”.

9.14 – LAUNCH MASTERS

Launch masters will not be used.

12.3 - DECLARATIONS BY COMPETITORS

There are no predefined goals with 3 digit goal numbers for this competition. Goals must be declared in 4/4 format using the UTM coordinates of the competition map. Alternative methods may be described for individual tasks according to the TDS. Declaring the altitude is only necessary if required by the TDS.

12.4 – Target§

Note: The target will normally be displayed within 100m of the given goal coordinates, as close as possible to the coordinates.

12.5 - DECLARATIONS BY COMPETITORS

Note: All available markers have been distributed. You must keep the markers after each flight, and you are responsible for bringing them to be used in all upcoming flights. Dropped and measured markers will be redistributed by the officials at the next briefing. Therefore, you must check that your dropped markers have been collected by the measuring teams.

Additional notes:

36th Italian HAB Open Championship

WhatsApp community

During this event, we will be using WhatsApp for the recall procedure, to spread competition-related and public information, and to provide changes to tasks, etc. For this purpose, a WhatsApp community has been created: **36th Italian HAB Open Championship**.

Within this community you will find several groups: **WIND, PILOTS, PUBLIC** and **OFFICIALS**.

The **WIND** group will provide data on measured wind speeds.

The **PILOT** group is intended for pilots to communicate with the competition director during the flight. To notify the competition director when updated information is received, if requested by the competition director. To report the landing after the flight.

The **PUBLIC** group is a place where you can share your pictures and videos, as well as your comments about how excited you are.

The **OFFICIALS** group is exclusively for officials to use for communication purposes.

The **ANNAUNCMENTS** section is for official competition announcements, including ENB post notifications from the event director only.

ATTENTION: No complaints will be accepted regarding the usage of WhatsApp. It is the pilot's responsibility to ensure that messages reach him or his crew member in a timely manner.
