Re: Organization of Europeans 2027 in Slovakia

Dear friends,

Thank you for your initiative in organizing the European Hot Air Ballooning Championships.

Given your many years of experience in organizing balloon events (Slovak Championships, International Balloon Fiesta Košice, etc.), I am pleased to entrust you, as a CIA delegate, with the preparation of the nomination for the 2027 European Championships in the Tatra region, Slovak Republic.

Best regards,

Juraj Brezan

CIA delegate (Slovak republic)
